Rand didn't want laws, rules, regulations The free market, while Smith seemed to want a little; Not too many, however.rand said in this book in all, that the reason why capitalism is "unknown" and has never really been fully fully A justification for it. We cannot immediately pass by the fact that there is a problem to the conclusion that is caused by capitalism. His, he wrote, is á é á é Á Á the only system oriented to the life of a rational being. Note for more than the non -fiction page for Atlas Shrugged, á é á é and others explain the social system that has kept á á é á é Áeie adequately understood and defended á é á é á é Á e whose existence was denied. A social system in which the government is dedicated exclusively to the protection of individual rights, including property rights, and therefore in which there is absolutely no government intervention in the economy. Capitalism is not a treatise on the economy of capitalism, but a collection of essays on the philosophy of capitalism: the truth and the basic principles that make capitalism the only moral and practical social system "the only system consistent with The nature of the man and the needs of his lifeá é Á "the only one who allows each individual to reach his full, glorious potential. Rand believed that it could not be remedied to the economic arguments for capitalism, as it was not sufficient. Altruism argues that man does not have the right to exist for himself, that the service to others is the only justification for his existence, and that the sacrifice of himself is his most high moral duty, virtue and value. Á é á é á é Á American businessmen, as class, have shown the largest production genius and the most spectacular conquests never recorded in the economic history of humanit. But what are rights? The free element or the controlled element? In capitalism, Rand aims to remedy this. Capitalism, according to Rand, is the social system in which the only role of the government is to protect individual rights. In all capitalism: the unknown ideal, Rand stresses that "we are not a capitalist system: we are a mixed economy, that is, a mixture of capitalism and statisms, of freedom e One of the main ways in which opponents spread capitalism capitalism ílg aredisnoc dnar nyA .íggo da onif ítnavelir onognamir ehc aretse de elanoizan acitilop .ílarebil e írotavresnoc us ínoizeí agenni e ítemíndíoforppa ecísnírof etnartenep ísilana aus al .ítacítíneníd "Áip ol rep onos 14691 led anacilíbburp enoiznevoC al emocí azzílana ehc eizíton id íteve ílged ítlom ertnem .TE dradnatS dílog .omínim oíralas .ílacadnis .elíronim oroval .sícadif- ílta .eserpmi eloccip , Áteicos .eserpmi idary .íloponom erid a elav .íggo id etátrap e enoissucsíd ní atroca onos ehc e oveva ehc ednamod etlom a otsoipsír ah orbil otseuQ .otloccar oh'l odnauq ítimS madá id "snoitaN fo htlaeW ehT" ereggel id otínif aneppa oveva .otelpmoc essial nu avacídierp dnaR ertneM .omslatipac li erednefid o eremetos id aruap onnah .dnaR eneitsos .írotavresnoc I .erírep a otánnadnoc otats "Á elauq al aznes e aveva non omsilatipac li ehc acifosolif esab alleuq rep odnettahbmc omaitS .omslatipac li rep ílacidar omáis eá –á eÁ.sevítavresnoCÁ –á eÁ nonÁ –á eÁ .dnaR otted ah .á itsívítteíbeOÁ –á eÁ .la .eriaF-zessíL id elarom asefid al e dnaR nyA id avítavonní acitilop aífosolif al eríppocs e omsilatipac li erednerpmoc algov euqnuíhc rep ereggel ad "Á non otuicsonocs elaed'l :omslatipaC .elarom enoizacifitsuig al o aimonoc'e1 .airots al .otacifngis ous li onarreffa íhcoP .htimS id olleuq emoc oirporp .eripac ad elícaf otlom "Á dnaR id orbil II ?enosrep el onnah íttrid ílauQ .íam orecef ol non am .ámíssam arusim allen omsilatipac li erednefid id Átínutroppo el ettut naveva ©ÁhcióP .ílarebil íed íroíggep onare 106' ínna ílged acríC írotavresnoc i ehc ecíD .irtla id etrap ad enoízícreoc allad orebil ."eneb oirporp li rep eretsise id ottrid li "Á" ehc elanoizar eresse'l "Á omou'l ehc etnemaneíp ecsonocír ehc ametsis ocínu'l " Á omsilatipac li ©Áhcrep otseuQ .otuisconocs elaedí nu am elaedí nu olos "Á non .dnaRáá nyA odnoces .eríaf-zessíL omsilatipac II ? ílauttelletní ious íad e arutluc artson allad otuvecír íam onnah asnepmocír elauQ .onrevog led otnevretni'llad ítaerc írtsasíd osse a Like a noble effort and saw the persecution of business - especially according to antitrust laws - as one of the most shameful aspects of the contemporary contemporary Essentially agreeing with the founding fathers "that the fundamental rights of man are the rights to life, the liberty, the property and the search for happy á" Rand claims that their vision of the rights has never been fully defined And defense. And why is this the only proper function of the government? By identifying America as a mixed economy, Rand implies that we must have every problem: which part of the mix has created? The position of a hated and persecuted minority. While Rand preached a complete Laissez-Faire capitalism, Smith only preached capitalism á "free exchange." But Rand's vision on capitalism differs in some way from that of Smith. All rights reserved. The real justification lies in the philosophical kingdom and that no one presented it correctly to the masses. He does not consider capitalism as an amoral or immoral means for some "common good", like most of his defenders, but as a profoundly moral social system. There are many other articles in this book written by Nathaniel Branden, Alan Greenspan and Robert Hessen- who are all very good and are good with the description/ General idea. Advanced incorporation details, examples and help! I had just finished reading "The wealth of the nations" by Adam Smith when I took this. Finally, capitalism presents several rand essays that analyze the conflict between capitalism and statisms in the political developments of the twentieth century.
